## EXPERIENCE

2001 – PRESENT

**UX / UI Designer / Developer / Creative Director — *Geoff Matheson Studio, Wilmington, DE***

- Provide multiple design and development services for a broad range of clients, including agencies, international corporations, and small / start-up businesses.
- Significant experience building robust web experiences that vary in industry and include iteration based design and development, starting with sketches, wireframes, digital prototypes, and managing projects through to launch / completion.

9/2017 – 12/2017

**UX / UI Designer / Front-end Developer — *GOLO, Inc., New Castle, DE***

- Consulted with this eCommerce site to optimize user experience, performance, and for search engines.
- Achieved the goal of being one of the most googled names in their industry, in 2017.

5/2017 – 8/2017

**UX / UI Designer / Front-end Developer — *The Vanguard Group, Malvern, PA***

- Contract as part of the UX design team, as liaison to technology and marketing, helping to successfully reach several time critical deadlines on web interface projects.
- Assisting in user research, wireframing, prototyping and front-end web development, using HTML / CSS / JS, Angular, and Adobe CC.

7/2016 – 4/2017

**UX / UI Designer / Front-end Developer / Art Director — *Mobius New Media, Wilmington, DE***

- Led web design and development jobs for several small to mid sized businesses and non-profits, creating well-executed, thoughtful designs that focus on user experience.
- Created data-driven web projects, conducted usability tests, and presented to clients.
- Rapidly prototyped web experiences using sketches, wireframes, digital / code mock-ups.
- Creating graphics, photographs, videos and other marketing for social media campaigns.

4/2014 – 7/2016

**UX / UI Designer / Art Director — *Barclaycard, Wilmington, DE***

- Proven track record of producing beautiful designs for partner brands: Apple, American Airlines, JetBlue, NFL, L.L.Bean (*and more*) — designing web pages, emails, banners, direct mail, flyers, posters and environmental graphics with the aesthetic of that partner's brand identity.
- Creative liaison to the Social Media team—designed and developed social media campaigns.
- Designed and developed an intranet microsite that outlined the entire organization's objectives and 5-year plan with a data tracking website, while working with the UX team, CEO and Executive Committee.
- Redesigned the Choice Privileges credit card, leading this project and being the liaison between the design, brand and legal teams. Went on press and worked with the manufacturer through production.

12/2006 – 2/2008

**Graphic / Package Designer — *Structural Graphics, Essex, CT***

- Directly involved in all facets of the creative process for this agency, and evaluated design, production and preparation for high profile, insightful dimensional direct mail campaigns for: HBO, Cinemax, Honda, Nikon, the CIA, Nickeloden, GSK, Pzifer, Astra Zeneca (*and more*).
-
